## How do these appointments help you?

### Dental health examinations provide:

- Clinical examination to catch developing problems early
- Checking for signs of oral cancer for early detection
- X-rays, where clinically necessary, for an in-depth examination of your oral health.

### Hygiene appointments provide:

- Professional removal of harmful hard plaque
- Advice and techniques – we work with you to prevent tooth decay and gum disease
- Fresher breath and a brighter smile for improved self-esteem.

**We believe this results in the complete package to maintain your oral health. We recommend joining to help reduce the risk of expensive restorative treatment in the future.**

**Please speak to any member of the team if you would like more information or for details on how to register.**
